

The Origin of Our Species

By Chris Stringer

Penguin Books Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Chris Stringer s bestselling The Origin of our Species tackles the big questions in the ongoing debate about the beginnings of human life on earth. Do all humans originate from Africa? How did we spread across the globe? Are we separate from Neanderthals, or do some of us actually have their genes? When did humans become modern - are traits such as art, technology, language, ritual and belief unique to us? Has human evolution stopped, or are we still evolving? Chris Stringer has been involved in much of the crucial research into the origins of humanity, and here he draws on a wealth of evidence - from fossils and archaeology to Charles Darwin s theories and the mysteries of ancient DNA - to reveal the definitive story of where we came from, how we lived, how we got here and who we are. A new way of defining us and our place in history . (Sunday Times). When it comes to human evolution Chris Stringer is as close to the horse s mouth as it gets. The Origin...
