Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

ONE FIFTH AVENUE

Voice. Paperback. Book Condition: New. Paperback. 464 pages. Dimensions: 8.0in. x 5.1in. x 1.2in. ONE FIFTH AVENUE is a modern comedy of manners -- a landmark novel, if you like. Its observations about money, the Internet, the function of art in society as well as sex romps, social climbing and snobbery enhance Bushnell's reputation as an astute observer of modern life. . . . Carrie Bradshaw wannabes as well as women (and men) near Bushnell's age -- she turns 50 this year -- will be pulled into this refreshing and highly entertaining novel about the power of money, sex and celebrity. --USA TODAY Bushnell. . . broadens her scope in her latest ode to New York strivers and sophisticates. . . The fun lies in the author's acute observations about everything from real estate envy to midlife crises. --More Where Bushnell goes, her army of stilletoed fans follow. You gotta love it: the conflict, the secrets-telling, the peek into the world of the rich and valueless. It all adds up to a juicy summer read. --New York Post One Fifth Avenue is all things an escapist read she be: quick and wicked and wry. There's a blown-out bitch to root against, a star-crossed couple to root for, and a Tim Gunn-style best friend who deserves his own book. Great, guiltless fun. --Entertainment Weekly From one of the most consistently astute and engaging social commentators of our day comes another look at the tough and tender women of New York City--this time, through the lens of where they live. One Fifth Avenue, the Art Deco beauty towering over one of Manhattan's oldest and most historically hip neighborhoods, is a one-of-a-kind address, the sort of building you have to earn your way into--one way or another. For the women in Candace Bushnell's new novel, One Fifth Avenue, this...
