So, how do you handle stress That's a question you will be asking yourself as you read this book. When do you walk away from a bad situation and when do you dig your heels into the ground, push up your sleeves, and hit it straight on with everything you've got What if you can't walk away What if you want to kick your own ass for making a big mess of your life Bushpig is a story about a couple who purchases an historic house to renovate while they're in the midst of coping with several personal issues. Somehow they believe that it will be the common ground that repairs their crumbling relationship. As the story unfolds, not only does the couple manage the enormous task of remodeling a house that should've been demolished, they also have financial difficulties, marriage troubles, neighbor problems, and they are dealing with the death of a family member. As a result, their lives are turned upside down with stress and grief. They get to the point of madness at times, trying to handle everything that they've brought...
