## AN ETYMOLOGICAL DICTIONARY OF THE ENGLISH LANGUAGE

To get **An Etymological Dictionary of the English Language** PDF, remember to refer to the button below and save the document or get access to other information which might be in conjunction with AN ETYMOLOGICAL DICTIONARY OF THE ENGLISH LANGUAGE book.

Dover Publications Inc., United States, 2005. Paperback. Book Condition: New. 278 x 214 mm. Language: English . Brand New Book. Comprehensive and easy to use, this resource offers numerous cross-references that allow readers to trace English words back to their Indo-European roots. By exhibiting the relationship between English and cognate tongues, it reveals the language's basis in Latin and Greek as well as prior derivations from Anglo-Saxon and Icelandic sources. Each entry begins with a brief definition and an exact statement of the term's actual (or probable) language of origin. An account of its transition to English usage follows, along with either a few quotations that indicate the period at which the word was adapted, or else the usual Middle-English forms. A helpful Appendix contains a glossary of prefixes, a general accounting of suffixes, a table of Indo-European roots, and vocabularies of homonyms and doublets, in addition to lists showing the distribution of the sources of English. A standard reference for many years, this volume will prove a practical resource not only to students of comparative philology and of early English, but to everyone with an interest in the origin, history, and development of the English language.
