

Detained: Emails and Musings from a Spiritual Journey Through Abu Ghraib, Kandahar and Other Garden Spots

Filesize: 7.51 MB

Reviews

Completely essential go through book. It really is simplistic but excitement inside the 50 % of the pdf. I am very easily will get a satisfaction of studying a composed book.

(Damian Poulos)

Manu, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Over the course of five deployments to the Middle East since 9/11, Colonel (retired) Brian Rees documented his daily life at Abu Ghraib, Bagram, Kandahar, Camp Bucca and elsewhere, by writing emails to his friends and family: .they fired their warning shots, disabling (engine block) shots, then lit up the vehicle with their .50 cal. killed two or three and wounded a half dozen more. the .50 cal produces horrendous wounds, not bullet holes, but big chunks just gone, no buttock, no shoulder, just erased. if it hits the torso, no ER visit, just straight to the morgue. the tragic thing: they weren t bad guys, just a bad driver. c mon guys, we ve been here three years, everybody in Iraq knows, DON T TRY TO RUN AMERICAN CHECKPOINTS! DON T RUN UP ON AMERICAN CONVOYS! it s like driving on the right side of the road, it s not optional. i can t blame the marines, you ve got about 100 yards, just a few seconds to make the decision; if you don t fire, you and your friends can be dead in another couple seconds. it s a helluva burden to place on a 20 year old. something they must live with forever. a burden of their service that often goes unappreciated. a bunch of customers just rolled into the ER, so i gotta go. looking forward to coming home in may. love to all, brian Published for the first time in this memoir, Detained is a candid look into America s involvement in the Global War on Terror. Humorous and insightful, you hear what it is like to be a doctor to Taliban...
