Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

LEMONADE MOUTH

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, Lemonade Mouth, Mark Peter Hughes, Poets. Geniuses. Revolutionaries. The members of the legendary band Lemonade Mouth have been called all these things. But until now, nobody's known the inside story of how this powerhouse band came to be - how five high-school outcasts found each other, found the music, and went on to change both rock and roll and high school as we know them. It all started at that fateful detention where they found inspiration from a dentist's jingle, a teacher's coughing fit, and a beat-up ukulele. Of course no one knew back then, that this was the start of the Lemonade Mouth revolution. This is inspiration for the Disney Channel Original Movie.
