By Michael Ebifegha

Tate Publishing Company, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Darwinian theory of evolution begins with facts (science of microevolution) and ends with fiction (myths of macroevolution). The myths are part of our experience, no transitional organisms in the living world; and part of our discoveries, no transitional fossils in such deposits at the Burgess Shale and Chengjiang sites where various kinds of organisms appear together in large collection. In his fourth book, Refuting the Myth of Evolutionism and Exposing the Folly of Clergy Letters, author Michael Ebifegha stresses that real science is timeless and based on events that are directly or indirectly observable, testable and repeatable. Challenging a league of scientists and their clerical allies who are banning the teaching of creationism in public schools, Ebifegha insists that evolutionism is also outside science's purview and therefore should be banned as well. He reprimands clerics for capitalizing on human knowledge but failing to recognize the validity of God's personal claim in speech before an audience and in print on stone tablets for having created the world. These interventions, he asserts, fulfill the world's standard legal...
