Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

ASTROLOGY AND THE SEVEN RAYS

Hopewell, United States, 2006. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Linking astrology with the seven rays enables people to recognise their own deepest qualities. According to the ageless wisdom, the seven rays are cosmic streams of energy that pervade all life on earth. Astrology and the Seven Rays introduces the psychological application of the rays, giving insights that could not otherwise be obtained from the astrological chart. Bruno Huber discovered a new method that can be used by both specialist and layman to determine the rays in the individual horoscope. This enables you to find your own personal ray combination, and those of others. Astrology and the Seven Rays opens up a new approach to esoteric psychology and esoteric astrology, and provides insight into the process of spiritual development. Bruno and Louise Huber have taught a new dynamic direction of astrology for over thirty years, reflected in their series of eight books on astrological psychology. Their work was grounded in the esoteric teaching of Alice Bailey and in the psychosynthesis of Roberto Assagioli. They are founders of the internationally known Swiss school of astrological psychology in Zurich. The text is an edited transcript of an inspirational seminar given by the Hubers in England in 1998, supplemented with some new material. It represents the fruit of a lifelong dedication to the synthesis of spiritual, psychological and astrological understanding. A ground breaking work for the new age.
