DOWNLOAD

Wsgf Pty Ltd, United States, 2016. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. Synopsis What is the book about and how is it original? is about Global Terrorism and its impact on humanity. Whatever would be the ultimate definition and a drawn conclusion of this work, terrorism in scope, depth and awareness has become a 21st century global topic. While some nations claim to have it fully or partly under control, some are yet to come to grasp with exactly what it is and what to do with or to it. While it has been in existence in some nations for years, some are just being initiated by it. Whatever the case may be, terrorism is undoubtedly the man-inflicted malignant epidemic ravaging humanity at a very high speed and degree. The writing of this book is motivated by my interest, training and research. It is an attempt into the unveiling and understanding of the concept of global terrorism in all its ramifications, and its effect on humanity. For whom is the book intended and to whom is it aimed? Target-readers are inclusive but not limited to Security Operatives and strategists, Administrators, Researchers, Students, Social Critics, Newsmen, Religious leaders and the general public. In addition terrorism on this scale, depth and reach was almost alien to Africa, thus with Africa s induction into the impact of terrorism an interest was activated which is meant to create awareness, inform, and educate citizens and authority. What are three unique selling points of the book? Definition of Terrorism in the 21st century and its impact on humanity, as an education topic, and a topical issue to be understood by ordinary people affected by such concept. Lack of understanding of terrorism by countries, as the man-inflicted malignant epidemic...
