THE NON-SILENCE OF THE LAMB: FAMILY EDITION

Createspace, United States, 2011. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.(The whole story and nothing but the story so help me dear Pen) No Hannibal Lecter here. Just a single mother and her animalistic raging passion with a few quid pro quos as she grippingly strives for survival for herself and her eight children. CAUTION! - There are serious immigration issues that are detailed in this dramatic Caribbean-American story. This is the family edition of the original version of The Non-Silence of the LAMB. Excerpt: She took a quick glance back just before she disappeared through the main doorway, and disappointment slapped her squarely in the face. She saw that the immigration officer was leading Bunny and Lela away to a special room. She noticed the sad looks on their faces. They were as disappointed as the inarguable favorite to win; the Brazilian team, when they got surprisingly knocked out of the 2010 FIFA World Cup. The Brazilian team was knocked out by the Netherlands team in the stage-two round of the sixteen knock-out phase. Gena walked away feeling as sad as Maradona, the famous one-time soccer player and now coach of the Argentinean team. He stood on the sidelines of the same 2010 FIFA quarter finals and watched his team get brutally beat down by Germany, four goals to zero. The book is a rather serious story about a Jamaican family led by a strong single parent female who searches for success for both herself and her very large family. The book is a series of continuous compelling stories that comprises the life of Essie and her eight children. It is a very exciting island-style book for everyone to read.
