SIGHT AND SINNERS

Boroughs Publishing Group, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The murder of a shared friend leads a high-profile investigator and a psychic into a mystery involving lies, blackmail, BDSM-and into each other's arms. THE MEN OF LONDON From Charing Cross to Waterloo, there's no escaping love. SEEING THROUGH. 28-year-old Draven Samuels has a tragic past, but as an investigator with a high-profile London company he now gets what he wants. Tough, sarcastic, and sceptical, he has no patience for lies and even less for people who waste his time. Even if they're as beautiful as the wild and dark-haired Taylor Abelard. Especially when they're talking over the body of a murder victim. THE DARKNESS Psychic Taylor Abelard is used to people calling him a freak. He can see past events and feel the ghostly vibrations of people close to him who've passed on. It's why he doesn't get too close to the living. But this time, against his better judgment, despite Draven's mocking rejoinders, Taylor will get closer than ever before. The mystery of a dead friend will lead the two men down a dark and seedy trail of blackmail and lies. Add in the heartbreak of a family tragedy, and events lead them straight into each other's arms. By the end of this night, all their demons will have risen-and been banished with the dawn.
