Holiday House Inc. Paperback. Book Condition: new. BRAND NEW, Freedom Walkers, Russell Freedman, As Freedman points out, the Montgomery Bus Boycott was a triumphant historical event, and there are numerous memoirs, articles, and scholarly works, for adults and for young readers, about the leaders and the ordinary heroes. In his signature clear prose, Freedman draws on the best of those personal stories and historical accounts to provide a dramatic overview of how the 381-day resistance to segregated buses spearheaded the civil rights movement. He brings close the experience of what it was like to be there, on the bus and on the street. With the eloquent accounts of the legendary heroes--Rosa Parks, Martin Luther King and more--are the stories of other important activists, including Jo Ann Robinson (president of the Women's Political Council) and teenager Claudette Colvin, as well as the lawyers and politicians. The photo-essay design is attractive and spacious.
