As adults we learn to focus on representing ourselves in a manner pleasing others. Leave that behind you for a minute. Indulge yourself with Burn After Writing alone by lamplight. Some elements are random like tea leaves forming patterns in a mug, some elements are deliberate to coax you into realising things about yourself you never noticed before. Play a game of Truth or Dare with yourself. How honest can you really be with only you watching? And when you finish the book.will you Burn After Writing.? Put simply, it's a secret diary for proper grown ups. It's playful, and like all real play it pushes limits, flirts with fears and shoots craps with the big unknown. In a society where where we 'share' our everything, BAW goes against the grain and politely asks you to 'share' nothing.
