During the regular term the students will have an opportunity of visiting the various hospitals of the city, under circumstances which will enable them to observe medical and surgical treatment, to listen to clinical teaching, and make records of the progressive development of diseases with the result of Medicine and Hygiene. The Faculty also intend an immediate organization of such elements of interesting and varied clinical instruction in connection with the College as will compare favorably with any Medical school in the United States. The Faculty desire to call the attention of Students to a few facts which are peculiar to San Francisco, and which afford unparalleled advantages in the prosecution of medical studies. 1st. There is no climate, perhaps in the world, which has a more invigorating effect upon persons coming from the interior of our States and Territories, thereby qualifying the votaries of study with essential health and inspiration. 2d. No city of the same population has more ample hospital facilities, or greater opportunities for organizing and maintaining the best elements of clinical teaching. 3d. The singular characteristics of our climate are such, that every branch of Medical study can be prosecuted during the entire year. In winter or summer, dissections can be made without detriment to the health of the student. FEES AND REGULATIONS. The...
