(New York: The Macmillan Company.) The Funk and Wagnalls Company in publishing their students edition of the Standard Dictionary have done a service second only to that afforded by their monumental work. The abridgement is itself considerable in form and content--915 double column pages, including 62,000 words and phrases, and appendixes covering the saime field of proper names, foreign phrases, etc., as its original. It follows the same popular plan of definition, and the same scientific system of phonetic transcription. The problem of an abridgement is, of course, a problem of excision, and we do not always agree with Mr. Fernald s judgment in his excisions. Yet on the whole, by virtue of copiousness of...
