Brilliance Corporation, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A leading American philosopher brings the tools of his trade to contentious contemporary debates. How can we have meaningful debates with political opponents? How can we distinguish reliable science from overhyped media reports? How can we talk sensibly about God? In *What Philosophy Can Do*, Gary Gutting takes a philosopher's scalpel to modern life's biggest questions and the most powerful forces in our society: politics, science, religion, education, and capitalism to show how we can improve our discussions of contentious contemporary issues. Gutting introduces listeners to powerful analytic tools in the philosopher's arsenal that they can use to make new sense of current debates. From informed assessments of scientific claims to careful analyses of arguments for and against religious belief, Gutting brings a calm, clear-headed approach to some of the most divisive issues on the table today. He scrutinizes our relationships to work and freedom in capitalism; our modern understanding of happiness and the good life; the value of liberal arts education and the humanities; the role of science and politics in shaping public policy today; and the value of art and popular culture. Perhaps most meaningfully,...
