HEAVEN S INVESTMENTS

Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I have learned all too often that people find various ways to live. Today there is every belief and religion out there. The question is, which one is right? We ask, is there a real god? If so, where is he? How do we find him, and how do we begin to understand God? Others question the concept of salvation, if we need it. Why be kind to others, even our enemies? Where is the most powerful reality that exists? Is there such a place called heaven or hell? If so, how do we look for it? There are many people who don t know the true meaning of faith or even the idea of a simple prayer. Christ is where hope starts and life begins. The more this information gets out and developed in people, then life will become better for everyone. These poems were written to inspire and help the people you love---family, friends, and even acquaintances. It will even help the people you are not comfortable around. A good inspirational poem can help change bad habits to good actions, resulting in a better quality life for you and the people around you.
