

Angels 101

By Doreen Virtue

Hay House Inc. Paperback. Book Condition: new. BRAND NEW, Angels 101, Doreen Virtue, 'Do you have a book about angels for someone who's a complete beginner?' Doreen Virtue frequently heard this question at her workshops, so she usually directed audience members to her book *Healing with the Angels*. Yet she realised that even that work is a bit advanced for newcomers. One morning when she clearly saw and heard the title *Angels 101*, Doreen knew that the angels wanted her to write a basic primer on the subject of these celestial beings. So, the book you hold in your hands is the result of that angelic directive: a nondenominational overview of who the angels are; their role in various spiritual texts and religions; the ways that angels help us and how to call upon them; information on guardian angels and archangels; and frequently asked questions about the angels. No matter where you are on a spiritual or religious path, this book is sure to deepen your understanding and love of the angels - and it makes the perfect gift for someone new to these concepts!.
