Brand New Book ***** Print on Demand *****.When the unpopular and unnoticed Peter Hammond realizes that the monsters heading toward him aren't really terrifying at all but rather Lincoln High's soccer team, he decides to stay on the field and see what the game is all about. After suffering through an agonizing practice with the team, he decides to duck out and hope no one remembers he was even there. Hardly anyone notices him at school anyway. Life goes on at Lincoln High, but a month later, when Peter gets to school one morning, he's met with high fives, congratulations, and acknowledgments about his fantastic soccer-playing skills from everyone, including some of the most popular kids on campus. Though he's confused at first, he soon learns that someone is impersonating him on the soccer field. When Peter meets Roberto, this virtual twin who's scoring all the goals for Lincoln High, their lives are drawn together in a tangle of deception. Will they be discovered by their suspicious classmates? Find out in David Tracey's exciting and suspenseful novel, *Double Trouble at Lincoln High*.
