Munshiram Manoharlal Publishers Pvt. Ltd., 1977. Hardcover. Book Condition: New. First Indian Edition. 15 x 23. A.B. Keith's *Indian Logic and Atomism* sets out the fundamental doctrines of the orthodox Indian systems of logic and atomism - Nyaya and Vaicesika - on the basis of their History and relation to Buddhist philosophy. Due to their obscurity, the systems had not attracted the notice they deserved. This work removes the seriously felt lacuna. This Book is divided, for convenience, in two parts. The first part traces the evolution of the systems while simultaneously reconciling the enigmatical interpretations of the various schools of sectarian thought. The second elaborates on the theory of methods or grounds of knowledge (epistemology) and the philosophy of Being and knowing (meta-physics). The lucidity of presentation, without the least deviation from profundity, makes this an invaluable and indispensable work for the neophyte and the savant alike.
