In life, challenges and situations can convince you that you are on the wrong path, chasing the wrong dream or wandering aimlessly through life. While there is no way to prevent problems and obstacles from littering your path to destiny, sometimes a simple reminder that a challenge is temporary is all you need. Hearing the testimonies or experiences of other believers can also be the beacon of light needed to foster progress on your journey. With that in mind I compiled a few of my inner most thoughts in the form of lessons, principals and poetry to share with you. Each item is inspired by a day or situation from my personal journey and is symbolic of my efforts to write even in the midst of chaos. These written works often allow me to remember, in detail, where God has brought me from over the course of my life. These reflections help me to stay focused, motivated and moving forward, and it is my sincere hope that they will do the same for you. This item ships from La Vergne, TN. Paperback.
