By Andrew Wright Hurley

Berghahn Books. Paperback. Book Condition: new. BRAND NEW, The Return of Jazz: Joachim-Ernst Berendt and West German Cultural Change, Andrew Wright Hurley, "In The Return of Jazz, Andrew Wright Hurley has admirably demonstrated Berendt's influence upon the emerging jazz scene of the early Federal Republic. Hurley shows how Cold War politics and rejection of the National Socialist past heightened Berendt's sense of mission. It is to Hurley's credit that he raises so many important issues surrounding jazz's development in the second half of the twentieth century." - H-German "This is a benchmark study, in showing why a subject that has been overlooked in jazz historiography should not have been. In its balancing of cultural theory with the most painstaking empirical research this is, quite simply, essential reading not just in jazz scholarship, but in the larger field of cultural history and its methodologies."...
