Take a peak inside the dangerous and gripping life story of a young undercover police officer who dared to tackle drugs, crimes and murder. It s an honest and genuine roller coaster ride that is breathtaking, insightful and purely entertaining that provides a visceral connection to readers. Gut wrenching and harrowing events like these are what cops face everyday. It s hard hitting, insightful, and at times outrageous. Everybody wants to know about the dangerous life and struggles of the people that carry a gun, hold a badge and vow to serve and protect. Quesnelle writes candidly and cleverly weaves a sense of what it must have been like to live under that kind of pressure to his readers.
