R.E. McDermott. Paperback. Book Condition: New. Paperback. 414 pages. When marine engineer and very part-time spook Tom Dugan becomes collateral damage in the War on Terror, hes not about to take it lying down. Falsely implicated in a hijacking, hes offered a chance to clear himself by helping the CIA snare their real prey, Dugans best friend, London ship owner Alex Kairouz. Reluctantly, Dugan agrees to go undercover in Alexs company, despite doubts about his friends guilt. Once undercover, Dugans steadfast refusal to accept Alexs guilt puts him at odds not only with his CIA superiors, but also with a beautiful British agent with whom hes romantically involved. When a tanker is found adrift near Singapore with a dead crew, and another explodes in Panama as Alex lies near death after a suspicious suicide attempt, Dugan is framed for the attacks. Out of options, and convinced the attacks are prelude to an even more devastating assault, Dugan eludes capture to follow his last lead to Russia, only to be shanghaied as an advisor to a Russian Spetsnaz unit on a suicide mission. Deadly Straits is a non-stop thrill ride, from London streets, to the dry docks of Singapore, to the decks of the tankers that feed the worlds thirst for oil, with stops along the way in Panama, Langley, Virginia, and Teheran. Richly spiced with detail from the authors 30 years sailing, building, and repairing ships worldwide, it is, in the words of one reviewer, fast-paced, multilayered and gripping. **READER COMMENTS** An awesome book! It has a very Tom Clancy feel. Kudos to Mr. McDermott. Well done, Sir. D. Bosshardt, Amazon - 5 Stars An absolute cracker of a thriller, quite simply on a par with Clancy et al. When Id finished I wanted more! A terrific story superbly written. Tao Amazon...
