Ediciones Librería Argentina, 2008. Bolsillo. Book Condition: Nuevo. Dust Jacket Condition: Nuevo. Estos trece papiros contenían cincuenta y dos textos y entre ellos estaban los llamados Evangelios Gnósticos, que formaban parte de la biblioteca que tuvo que ser ocultada por los monjes del cercano monasterio de San Pacomio cuando la posesión de estos escritos fue perseguida y declarada por decreto como herejía por el obispo Atanasios de Alejandría en el año 367 d. de C. La Gnosis (conocimiento), recoge el esoterismo (lo que no está a la vista) de las enseñanzas de Jesús y es a través de la iniciación por la que se va transmitiendo el conocimiento a los adeptos o estudiantes según estos están preparados para recibirlas. La Gnosis no era un conocimiento racional o teórico, era más bien un conocimiento basado en la observación y en la experiencia, un conocimiento que señala el camino de la intuición como herramienta para conocerse a uno mismo. Así el camino del conocimiento que nos marca Jesús es el camino del conocimiento de uno mismo y a partir de conocernos a nosotros mismos poder entender al mundo. 96 LIBRO.
