THE DISCOVERY AND COLONIZATION OF AMERICA, AND IMMIGRATION TO THE UNITED STATES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Discovery and Colonization of America, and Immigration to the United States Mr. President and Gentlemen of the Historical Society: - Although I appear before you at the season at which the various religious, moral, and philanthropic societies usually hold their annual meetings to discuss the stirring and controverted topics of the day, I need not say to you that the proprieties of this occasion require me to abstain from such subjects; and to select a theme falling, to some extent at least, within the province of an historical society. I propose, accordingly, this evening, to attempt a sketch of the history of the discovery and colonization of America and of immigration to the United States. I can of course offer you, within the limits of a single address, but a most superficial view of so vast a subject; but I have thought that even a sketch of a subject, which concerns us so directly and in so many ways, would suggest important trains of reflection to thoughtful minds. Words written or spoken are at best but a kind of short-hand, to be filled up by the reader or hearer. I shall be gratified if, after honoring my hasty sketch with your kind attention, you shall deem it worth filling up from your own stores of knowledge and thought. You will forgive me, if, in the attempt to give a certain completeness to the narrative, I shall be led to glance at a few facts, which, however interesting, may seem to you too familiar for repetition.
